

CURRICULUM VITA

BARRY C. BARMANN

Licensed Clinical Psychologist: *State of California*
License Number PSY10035

Licensed Clinical Psychologist: *State of Nevada*
License Number PY0672

Place of Birth: Cleveland, Ohio
Sex: Male

ACADEMIC DEGREES

B.A. The Ohio State University, 1976
(Psychology)

M.A. University of the Pacific, 1979
(Applied Behavior Analysis)

Ph.D. University of California, Santa Barbara, 1982
(Psychology)

HONORS

Dean’s List all but one quarter – Ohio State University
Graduated With Honors – Ohio State University
Graduated With Distinction – Ohio State University
Composed & Published a Senior Honors Thesis – Ohio State University
Awarded a Graduate Teaching Assistantship – University of the Pacific
Undergraduate G.P.A.; 3.97
Psychology G.P.A.; 3.90
Psi Chi Certificate of Recognition for Scholarly Contributions in Psychology, 1981
Who’s Who In University Professors, 2005-current

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

American Psychological Association (APA)
Anxiety Disorders Association of America (ADAA)
Association for the Advancement of Cognitive Behavior Therapies (AACBT)
Obsessive-Compulsive Foundation (OCF)
Certified TeleMental Health Professional (CTMHP)

AWARDS

University of California, Santa Barbara, Academic Senate Travel Scholarship:
Association for the Advancement of Behavior Therapy Convention, New York,
November 21-23, 1980

Western Psychological Association Travel Scholarship, San Diego, California,
April 5-8, 1979

Who's Who in the West - 1982 Edition.

Who's Who in America - 1083-4 Edition.

Who's Who in California - 14th Edition, 1983-84.

Men of Achievement - 1983 Edition.

TEACHING INTERESTS

Anxiety Disorders

Applied Behavior Analysis

Advanced Applied Behavior Analysis

Behavioral Medicine/Health Psychology

Cognitive Behavior Therapy

Health Psychology

Obsessive-Compulsive Disorder

Thesis Practicum for Graduate School

COURSES TAUGHT

Anxiety Disorders, 2010: California Lutheran University**

Advanced Research Design, 1986, 1987, 1988, 1989: California Lutheran Univ.

Aggression and Violence, 1979: University of the Pacific

Applied Behavior Analysis, 1980: Adult Education Center, Santa Barbara

Behavior Change I, 1978: University of the Pacific

Behavior Change II, 1978: University of the Pacific

Behavior Analysis, 1991-current: California Lutheran University**

Behavior Therapy & Health Psychology I, 1991-2010: California Lutheran
University**

Behavior Therapy & Health Psychology II, 1991-2010: California Lutheran
University**

Clinical Psychophysiology, 1992, 1993: California Lutheran University**

Applied Behavior Analysis, 1986-current: California Lutheran University**

Advanced Applied Behavior Analysis, 1986-current: California Lutheran
University**

***Course developed by instructor*

COURSES TAUGHT CONT.

Counseling Techniques, 1981: University of California, Santa Barbara
General Psychology, 1992, 1993: California Lutheran University
Health Psychology, 1990, 1991, 1992, 1993: California Lutheran University**
Introductory Psychology, 1985, 1986, 1987, 1988, 1989: Moorpark College
Self-Control, 1978, 1980: University of the Pacific
Seminar In Research Design, 1986, 1987: California Lutheran University
Statistics, 1986, 1987: California Lutheran University
Thesis Practicum, 1987, 1988, 1989: California Lutheran University

***Course developed by instructor*

RESEARCH TRAINING AND PROFESSIONAL EXPERIENCE

Crisis Intervention and Suicide Prevention Counselor: Columbus Community Mental Health Center, Columbus, Ohio, 1974-76.

Student Professional Assistant: Western Reserve Psychiatric Habilitation Center; Operant Conditioning with severely retarded adult men and women, 1976-77.

In-Service Training Instructor: Mable Barron Elementary School, Stockton, California; Behavior Modification procedures for classroom management, 1977-78.

Student Professional Assistant: Stockton State Hospital, Child Development Treatment Unit; Task Analysis and Behavior Management with moderately and severely retarded children, 1978.

Behavior Analyst: Behavior Intervention Service; Stockton California. A rapid and direct intervention service for the retarded and developmentally disabled. Developed behavioral assessment and treatment plans pursuant to behavioral interventions, 1977-79.

Behavior Analyst and Training Specialist: Catholic Charities Disability Service, Stockton, California. Provided formal State Hospital patients with the skills needed to live on semi-independent basis, 1977-79.

Behavior Analyst and Consultant: Catholic Social Services, Stockton, California; Behavior Management procedures for children with emotional and behavioral disorders. Assisted in development of new programming and the strengthening of existing services and program evaluation, 1978-79.

RESEARCH TRAINING AND PROFESSIONAL EXPERIENCE CONT.

Behavior Specialist: Tri-Counties Regional Center – Intensive Behavioral Intervention Program, Santa Barbara, California. A direct intervention service utilizing behavior modification procedures for the developmentally disabled. Provided consultation to client services concerning clients' psychological status, progress, and needs, 1979-85.

Instructor of Psychology: Division of Continuing Education, Extension Program, University of California, Santa Barbara, California, 1980.

Counselor: Counseling Psychology Clinic, University of California. Individual, couple, family and group counseling, 1980.

Administrative-Coordinator and Assistant Director: Counseling Psychology Training Clinic; University of California, Santa Barbara. Duties included the supervision and training of beginning counselors; program evaluation; public relations; clinic budgeting; coordination of various group therapy programs, 1980-81.

Executive Associate and Program Director: Association for Retarded Citizens, Ventura County, C.O.P.E. Center. Responsibilities included the development of six day programs designed to assess and train the needs of the moderately to severely mentally and/or physically handicapped within the adult developmentally disabled population. These programs included the following: (1) Adult Development Center, (2) Day Training and Activity Center, (3) Behavior Management Program, (4) Assessment Center, (5) Workshop Program, and (6) Work Activity Center. Duties also included the hiring, supervision, and training of 35 staff members, and budget report preparation, as well as the development and evaluation of a separate training curriculum for all programs, 1984-86.

Resident Psychologist: Burnwall Rehabilitation Clinic. Responsible for providing in-service and treatment in the area of behavioral medicine for clinic and out-patient setting, 1986-87.

Clinical Psychologist: Anacapa Treatment Center – a behavioral medicine and clinical psychology treatment center. Individual, couple, and family psychotherapy. Specialty areas included: Biofeedback training for the treatment of chronic pain, migraine disorders, hypertension, cardiovascular disorders, anxiety and stress disorders, and gastrointestinal disorders. Performance of medicolegal psychological evaluations, 1986-87.

RESEARCH TRAINING AND PROFESSIONAL EXPERIENCE CONT.

Director of Program Development: Work Training Program, Incorporated. Responsible for the development, implementation and staff training, for all new programs developed in the Santa Barbara, Ventura, and Los Angeles counties, concerning the adolescent and adult developmentally disabled population, 1986-88.

Executive Director and Clinical Psychologist: Behavior Therapy and Family Counseling Clinic. Responsible for public relation efforts, budgeting, individual, group, and family counseling. Specialty areas - anxiety and fear disorders, attention deficit disorder, enhancement of sports performance, behavior management training, psychoeducational testing. 1987-current.

Research Assistant: Dr. Roger C. Katz, Psychology Department, University of the Pacific. One year research apprenticeship investigating the effects of various methods of thinning reinforcement schedules, 1978.

Research Assistant: Dr. Suzanne B. Hansor, Chairperson, Department of Music Therapy, University of the Pacific. Investigated the effects of contingent music in teaching locomotor skills to developmentally disabled children, 1978.

Research Assistant: Dr. Timothy Blackburn, Department of Special Education, University of the Pacific. A comparison of various behavior reduction techniques for the treatment of aggressive-disruptive behavior, 1978.

Research Assistant: Dr. Floyd O'Brien, Program Psychologist, Stockton State Hospital. Rapid toilet training procedures for the developmentally disabled - an overcorrection analysis, 1978-79.

Research Assistant: Dr. Albert Bandura, Psychology Department, Stanford University. Investigated the parameters of self-efficacy in relation to fear responses, 1977-78.

Research Assistant: Dr. Ray Hosford, University of California, Santa Barbara, Department of Education, Counseling Psychology Program. Investigated self-as-a-model procedures in teaching adaptive self-care behaviors in the developmentally disabled, 1980.

RESEARCH TRAINING AND PROFESSIONAL EXPERIENCE CONT.

Assistant Professor and Director of Graduate Studies in Psychology: California Lutheran University. Taught both Graduate and Undergraduate courses in psychology; developed a Master's Degree specialty in the area of *Behavior Therapy and Health Psychology*; recruited, interviewed, and trained incoming graduate students; 1990-1992.

Clinical Psychologist Vendor for Behavioral Services: **Tri-Counties Regional Center**, 1984-current.

Clinical Psychologist Vendor for Behavioral Services: **ALTA California Regional Center**, 1997-current.

Clinical Psychologist Vendor for Behavioral Services: **San Diego Regional Center**, 2000-current.

Clinical Psychologist Vendor for Behavioral Services: **Central Valley Regional Center**, 2000-current.

Clinical Psychologist Vendor for Behavioral Services: **North Los Angeles Regional Center**, 2000-current.

CREDENTIALS/LICENSE

California Community College Instructor of Psychology, 1980, valid for life.

Clear Regular Ryan Designated Subjects Credential for Teaching Developmentally Disabled Adults, valid until 1989.

Licensed Clinical Psychologist, 1987-current. The Board of Psychology, Department of Consumer Affairs, State of California.

Licensed Clinical Psychologist, 2012-current. Board of Psychological Examiners; State of Nevada.

Vendor of Community Care Licensing; Sacramento, California: 2005-current. Vendored to provide *Continuing Education Classes* for Care Home Administrators of Residential Homes for *Children* (# 1000629-730-2), and *Adults* (# 1000629-735-2).

Instructor for Continuing Education Units (CEU), Nevada Board of Nursing, 2013-current.

COMMUNITY SERVICE

Speakers Bureau: Columbus Community Mental Health Center, Columbus, Ohio, 1974-75.

Guest Columnist: Stockton News - Wrote weekly column entitled Watch Your Behavior, 1978.

Swimming for Special People Committee: Served on committee directed at building an Aquatic Center for the developmentally disabled population of Ventura County, 1985.

Guest appearance on KVEN (Channel 10), a local television talk show. Discussed opening of new Ventura facility for the developmentally disabled population, 1984.

Guest appearance on KHAY (102.3 FM), a local radio talk show. Discussed various issues related to the treatment of acute and chronic pain disorders, 1986.

Feature Writer. Family Style magazine. Wrote monthly article concerning the area of behavioral clinical pediatrics, 1986-87.

Founder of Parents' Support Group for the parents of children with attention deficit disorder, Ventura County, 1988.

RESEARCH INTERESTS

Anxiety Disorders
Depression
Selective Mutism
Attention Deficit Disorder
Behavior Therapy
Clinical Behavioral Pediatrics
Geriatric Psychology
Obsessive-Compulsive Disorder

PAPERS AND PRESENTATIONS

Barmann, Barry C. Therapeutic management of chronic callers to a suicide prevention center (Senior Honors Thesis), Ohio State University, 1976.

Barmann, Barry C. The use of overcorrection in the treatment of irregular enuresis in developmentally disabled persons (Master's Thesis), University of the Pacific, 1978-79.

Barmann, Barry C. Training appropriate self-feeding skills. Presented at California Behavior Analysis Conference (CBAC), Stockton, California, March 29-31, 1978.

Barmann, Barry C. A new approach for effectively dealing with the chronic caller to a suicide prevention center. Presented at Pacific Day - University of the Pacific, April 29, 1978.

Barmann, Barry C. The use of contingency management procedures in the treatment of nocturnal enuresis. Panel Discussion, University of the Pacific, 1978.

Barmann, Barry C. Repeat and chronic callers to a suicide prevention center - To treat or not to treat? Presented at the Valley Community Mental Health Center, Stockton, California, June 15, 1978.

Barmann, Barry C. Implementing self-control procedures for the treatment of obesity. Invited guest lecturer - Special Education class, University of the Pacific, 1978.

Barmann, Barry C. Using operant conditioning procedures for eliminating a variety of cosmetic behavior disorders. Presented at the meetings of the California State Psychological Association Conference (CSPA). Monterey, California, February 10, 1979.

Barmann, Barry C. The use of overcorrection in the treatment of severe nailbiting behavior. Presented at the meetings of the Western Psychological Association (WPA), San Diego, California, April 5-8, 1979.

Barmann, Barry C. Treating the chronic and repeat caller to a crisis hotline. Presented at the meetings of the Western Psychological Association (WPA), San Diego, California, April 5-8, 1979.

Barmann, Barry C. and Alvord, Patricia. Training independent living skills in developmentally disabled adults. Presented at the California Behavior Analysis Conference (CBAC), Stockton, California, May 1, 1979.

PAPERS AND PRESENTATIONS CONT.

Barmann, Barry C., Melcher, Wallace A., and Goff, Jerry A. Using behavior management techniques for rapid and direct intervention with the developmentally disabled. Presented at the meetings of the Developmental Centers for the Handicapped Annual Conference (DCHC), Monterey, California, May 12-13, 1979

Barmann, Barry C., Lutzker, John R., and Goff, Jerry A. Behavior Intervention Service A rapid and direct treatment service that works! Presented (in absentia) at the Applied Behavior Analysis Conference (ABA), Dearborn, Michigan, June 15-18, 1979.

Barmann, Barry C. Using contingency management procedures for treating child behavior disorders. An invited presentation to a workshop in the treatment of developmental disabilities. University of the Pacific, Stockton, California, July 11, 1979.

Barmann, Barry C., Nita, R., Katz, R., and Gipson, M. Using a token-reinforcement procedure for reducing smoking behavior in a State Hospital setting. Presented at the meetings of the Association for the Advancement of Behavior Therapy (AABT), San Francisco, California, December 13-15, 1979.

Barmann, Barry C. and McLain, William. The use of contingent-interrupted music in the treatment of disruptive bus-riding behavior. Presented at the meetings of the Association for the Advancement of Behavior Therapy (AABT), New York, New York, November 21, 1980.

Barmann, Barry C., Burnett, Gretchen, Malde, Susan, and Zinik, Gary. Token-reinforcement procedures for out-patients. Presented at the meetings of the Association for the Advancement of Behavior Therapy (AABT), New York, New York, November 21, 1980.

Barmann, Barry C. Reduction of bruxism by facial screening. Presented at the meetings of the Association for the Advancement of Behavior Therapy (AABT), New York, New York, November 21, 1980.

Barmann, Barry C. Use of music in treating disruptive behavior. Presented at the meetings of the Behavior Analysis Conference (BA), Camarillo, California, November 6-7, 1980.

PAPERS AND PRESENTATIONS CONT.

Barmann, Barry C. Facial screening: An innovative treatment for eliminating severe hair-pulling. Presented at the meeting of the Western Psychological Association (WPA), Los Angeles, California, April 9-12, 1981.

Barmann, Barry C. and McLain, William. Suppression of inappropriate bus-riding behavior via the use of music therapy. Presented at the meetings of the Western Psychological Association (WPA), Los Angeles, California, April 9-12, 1981.

Barmann, Barry C. Use of contingent vibration in the treatment of self-stimulatory hand-mouthing behavior. Presented at the meetings of the Western Psychological Association (WPA), Los Angeles, California, April 9-12, 1981.

Barmann, Barry C. The relative efficacy of facial screening vs. overcorrection in the treatment of disruptive behavior. Presented at the meetings of the Western Psychological Association (WPA), Los Angeles, California, April 9-12, 1981.

Barmann, Barry C. Minimum Competency Testing. Presented at the meetings of the Counseling and Personnel Guidance Association (CPGA), Detroit, Michigan, March 19, 1982.

Barmann, Barry C. Application of the principles of applied behavior analysis to the treatment of self-injurious and disruptive behavior. Presented as an in-service training program at the Hillside House for the Cerebral Palsied, Santa Barbara, California, June 11, 1983.

Barmann, Barry C. A cognitive-behavior approach to the treatment of depression in post stroke individuals. Presented as an in-service to the Burnwall Clinic, Camarillo, California, June 15, 1985.

Barmann, Barry C. A Training Manual in the Principles of Applied Behavior Analysis, 1985.

Lodge, Sylvia and Barmann, Barry C. The use of operant reinforcement techniques for treating the oppositional behavior in a moderately retarded woman, (Masters Thesis -- first author), University of California, Northridge, 1985.

PAPERS AND PRESENTATIONS CONT.

Barmann, Barry C. Basic Terminology in applied behavior analysis. Presented as an in-service training program for the Work Training Programs, Inc., Woodland Hills, California, October 3, 1986.

Barmann, Barry C. Schedules of reinforcement and behavior-change. Presented as an in-service training program for the Work Training Programs, Inc., Woodland Hills, California, October 20, 1986.

Barmann, Barry C. Data collection procedures in applied behavior analysis. Presented as an in-service training program for the Work Training Programs, Inc., Woodland Hills, California, November 12, 1986.

Barmann, Barry C. The use of biofeedback training for controlling anxiety disorders. Presented as an in-service training program for the Work Training Programs, Inc., Thousand Oaks, California, February 15, 1987.

Barmann, Barry C. The use of biofeedback training for the control of headache disorders. Presented as an in-service training program for the Work Training Programs, Inc., Woodland Hills, California, March 8, 1987.

Barmann, Barry C. Graphing techniques -- how to plot your data. Presented as an in-service training program for the Work Training Programs, Inc., April 17, 1987.

Kurth, Lisa, Saddler, Douglas, Jordan, Dan, Smith, Kathrine, and Barmann, Barry C. Predictors of success in the treatment of disturbed delinquents: An Interagency residential model. Master's Thesis, California Lutheran University, 1987.

Pedley, Theresa, Saddler, Douglas, and Barmann, Barry C. Use of the Myers-Briggs for predicting the personality type of Bulimic patients. Master's Thesis, California Lutheran University, 1987.

Royer, Joanne, Barmann, Barry C., Shuster, Susan, and Saddler, Douglas. A component analysis of a multifaceted behavioral treatment for hyperkinesis. Master's Thesis, California Lutheran University, 1987.

PAPERS AND PRESENTATIONS CONT.

Barmann, Barry C. What Happens After You Make A Referral? Presented to the Child Abuse Committee of Los Robles Regional Medical Center; Thousand Oaks, California, December 5, 1987.

Barmann, Barry C., and Cannis, Michele M. A comprehensive team approach to the treatment of attention deficit disorder. Presented as a workshop for the Focus On Children committee for hyperactive children; Ventura, California, January 15, 1988.

Barmann, Barry C. The use of biofeedback training in the treatment of the stroke patient. Presented as an in-service training for the Social Services Department of Los Robles Regional Medical Center; Thousand Oaks, California, February 25, 1988.

Barmann, Barry C. The use of a self-as-a-model procedure for training sequencing skills in the ADD population. Presented as an in-service training for the Psychology Department, Moorpark Unified School District; Moorpark, California, April 21, 1988.

Barmann, Barry C. The relative efficacy of psychostimulant medication and behavior management training in the treatment of attention deficit disorder. Presented to the Nursing Department of the Simi Valley Unified School District; Simi Valley, California, October 28, 1988.

Barmann, Barry C. A cognitive-behavioral approach to anger management training with the ADHD population. Presented at the Focus on Children Conference, Oxnard, California, October 29, 1988.

Barmann, Barry C. Re-Attributional training as a procedure for enhancing self-esteem in adolescents. Presented as an in-service workshop for the Camarillo Unified School District, Camarillo, California, December 19, 1988.

Barmann, Barry C. Treating the child with Attention Deficit Disorder: A Comprehensive Approach. Presented as a workshop for Moorpark College, Moorpark, California, April, December, 1989-1991.

Barmann, Barry C. Assessment and treatment of the "at-risk" child for behavioral intervention. Keynote address for the Tri-Counties Regional Center Child Development Conference, Camarillo, California, October, 1990.

PAPERS AND PRESENTATIONS CONT.
